

Name of Organization	Fukuoka City Waterworks Bureau
----------------------	---------------------------------------

Name of Activity	JICA Partnership Program: Project to improve water supply services in the Nadi/Lautoka region, Fiji(second project)
Implementation Period	January 2018- October 2021
Main Organizer	JICA
Outline and Objectives	<p>■ Summary/Purpose In light of the accomplishments of the first project of the JICA Partnership Program, which concluded in July 2017, a second project was launched to assist the WAF in improving water supply services in the Nadi/Lautoka region. This included water conservation awareness activities for service users, as well as a bolstering of the WAF engineers' capabilities regarding water supply control and leakage prevention. This aims to support the WAF in achieving 24-hour water supply service in the region.</p> <p>■ Activities • Remote support through online conferencing</p> <p>During FY2020, investigations and repairs of water leakage in the Nadi region were supported remotely through web conferences to improve the non-revenue water rate. Remote support was also provided to educate training instructors and to raise the water conservation awareness of service users.</p>
Target (Cooperator) Countries	Water Authority of Fiji

Name of Organization	Fukuoka City Waterworks Bureau
----------------------	---------------------------------------

Name of Activity	JICA Expert Yangon City Water Administration & Supply Advisor
Implementation Period	December 2018–December 2021
Main Organizer	JICA
Outline and Objectives	<p>■ Summary/Purpose</p> <p>Yangon City is the largest city in Myanmar with a population of over 5.6 Million. Along with its further economical development and population increase, the demand for water has increased. Improving the water service is an urgent matter for the city to attend to.</p> <p>Due to this, the Myanmar government requested the Japanese government to dispatch experts to advise and support the water administration. Based on JICA's request, Fukuoka City Government dispatched its own officers to Yangon City to offer advice on water administration and to work on maintaining and renovating the water distribution pipe system.</p> <p>■ Activities</p> <p>1. Maintenance/renovation of water distribution pipe system:</p> <ol style="list-style-type: none"> 1) To analyze the current water distribution pipe system and identify any issues 2) To advise on maintenance & renovation planning, designing, construction management of the water distribution pipe system 3) To advise on appropriate maintenance management of water distribution pipe system 4) To make the Water Vision a reality and apply development policies & plans <p>2. Waterworks administration</p> <ol style="list-style-type: none"> 1) To analyze current policies and planning related to the YCDC waterworks management at the national, state & city levels 2) To advise the YCDC in order to improve policy, plan & system at the national, state & city levels 3) To advise/support concerned Ministries/Departments 4) To support in future Japanese assistance programs 5) To share the experience and knowledge of waterworks projects with other municipalities and the Township Development Committee, providing necessary advice

Target (Cooperator) Countries	Yangon City Development Committee, Myanmar
